## What's New with Wag-O-Shag? How COVID-19 has Affected the Lodge

The current COVID-19 pandemic has changed the plans and lives of people around the world quite drastically. Wag-O-Shag Lodge is also feeling the consequences of the situation at hand. With the latest information and following the CDC's and the Wisconsin government's guidelines, Wag-O-Shag Lodge has made the decision to have virtual LEC meetings and Chapter meetings, as in-person meetings would put Arrowmen and their families at risk.

## Section Conclave has been Canceled

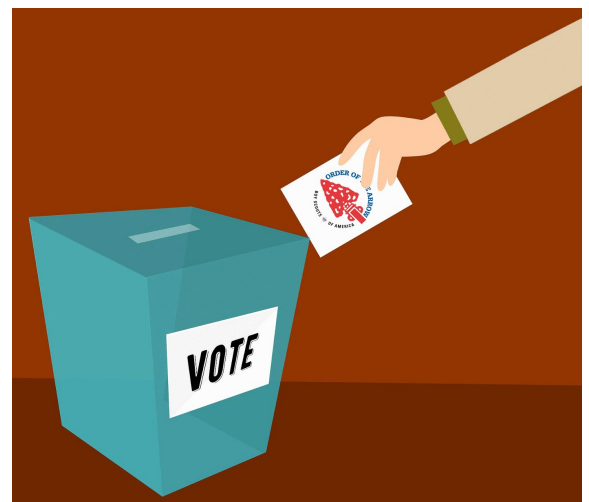

Section C-7 Chief, Joey Snella addressed the Section through a video earlier this month announcing the official cancelation of Section Conclave. Section Conclave was scheduled for April 17-19, 2020 at Stronghold Camp & Retreat Oregon, IL. He talked about how it was a hard decision for the Section leadership to make as many Arrowmen have been looking forward to this event since the Fall Council of Chiefs. Sadly, there are currently **no** plans to reschedule the event and Conclave will resume in 2021.

## Unit Elections Update

Many units have already had elections, which is awesome! However, there still are some units that need to do elections.

Thankfully, the election season has been extended through May 16th. Units can hold elections in April and early May. Unit leaders and OA Representatives can schedule an election [here](#). As the situation evolves the Elections Committee is ready

to take further action if needed. If you have any questions about unit elections, then you can email co-election chairs, Daniel Tahtinen and Blake Stephens at [electionschair@wagoshag.com](mailto:electionschair@wagoshag.com).

## Cheerful Service

Cheerful Service, we hear this phrase said a lot during ceremonies, meetings, and when discussing the OA. What does cheerful service look like to you? Often we associate this phrase with ordeals, fall and spring conferences, days of service, unit service projects, etc. While none of these answers are wrong the meaning is often overlooked.

Cheerful Service isn't only working hard with a smile on your face but rather a way to serve your community, build empathy, put leadership skills into practice, Inspire others and more. As Arrowmen, we have a duty to continue cheerful service even in these uncertain times.

This doesn't mean you have to complete some large feat but rather help others in need. This could be in the form of getting groceries for older, at-risk neighbors, calling a fellow Arrowmen, scout, or friend that may be feeling lonely, helping online tutor fellow classmates, advocating for social distancing, or even just being a friend to someone in need. Whatever the case may be, now is the time to exercise cheerful service.
